# April 29 2023

Free Online Meeting

Cutting Edge Techniques and Controversies in Shoulder Arthroplasty

3rd EDITION

COURSE CHAIRMEN

Giuseppe Porcellini MD *(Italy)*

John Sperling MD, MBA *(United States)*

INVITED FACULTY

A. Babhulkar *(India)*, **R. Barco** *(Spain)*, **P. Boileau** *(France)*, **F. Campi** *(Italy)*,

A. Castagna *(Italy)*, **F. Catani** *(Italy)*, **G. Di Giacomo** *(Italy)*, **T. Duquin** *(United States)*,

G. Fiumana *(Italy)*, **B. Gobbato** *(Brasil)*, **S. Gumina** *(Italy)*, **M. Hirner** *(New Zealand)*,

J. Itamura *(United States)*, **M. Mantovani** *(Italy)*, **G. Merolla** *(Italy)*, **J. H. Oh** *(South Korea)*,

P. Paladini *(Italy)*, **P. Randelli** *(Italy)*, **F. Soza** *(Chile)*, **L. Tarallo** *(Italy)*, **O. Verborgt** *(Belgium)*,

K. Weiser *(Switzerland)*

2:00 pm   **Welcome to the Meeting: Drs. Porcellini (Modena) and Sperling (Rochester, MN)**

2:10 pm   **New Technology in Shoulder Arthroplasty in 2023 and Beyond:**
Moderators: O. Verborgt *(Antwerp)* **and P. Paladini** *(Cattolica)*

→ Intra-operative navigation is the preferable technique: **R. Barco** *(Madrid)*
→ Patient specific 3D planning is the future: **P. Boileau** *(Nice)*
→ Robotics is the way to go: **O. Verborgt** *(Antwerp)*
→ The Metaverse and Shoulder Arthroplasty. How to use AR and VR: **B. Gobbato** *(Jaraguá do Sul)*
Discussion

2:50 pm   **Techniques in Anatomic Shoulder Arthroplasty: Key Steps for Success**
Moderators: K. Weiser *(Zurich)* **and P. Randelli** *(Milano)*

→ Key steps in glenoid exposure: **P. Paladini** *(Cattolica)*
→ Subscapularis sparing anatomic shoulder arthroplasty: **F. Campi** *(Forlì)*,
→ Stemless anatomic shoulder arthroplasty: **A. Babhulkar** *(Pune)*
→ All poly glenoid component: **G. Merolla** *(Cattolica)*
→ Metal back convertible glenoid component: **A Castagna** *(Milano)*
→ Hybrid glenoid fixation: **T. Duquin** *(Buffalo)*
Discussion

3:40 pm   **Clinical case discussion**
My patient returns 3 months after an anatomic shoulder arthroplasty with three weeks of drainage and erythema **R. Barco** (Madrid)

Moderators: R. Barco *(Madrid)* **and S. Gumina** *(Roma)*
Panel: J. H. Oh *(Seoul)*, **F. Soza** *(Santiago de Chile)*, **L. Tarallo** *(Modena)*, **P. Boileau** *(Nice)*, **G. Di Giacomo** *(Roma)*

3:55 pm   **Techniques in Reverse Shoulder Arthroplasty: Tips and Essential Steps**
Moderators: P. Boileau *(Nice)* **and G. Fiumana** *(Forlì)*

→ How to tension the reverse shoulder arthroplasty: **J. H. Oh** *(Seoul)*
→ Subscapularis repair in RSA: to repair or not repair: **R. Barco** *(Madrid)*
→ Stemless reverse arthroplasty: **S. Gumina** *(Roma)*
→ Reverse arthroplasty with a stemmed humeral component: **M. Hirner** *(Whangārei)*
→ Management of glenoid bone deficiency with reverse: **T. Duquin** *(Buffalo)*
→ Discussion

4:40 pm   **Clinical case discussion**
My patient returns 5 weeks after a primary reverse and is now dislocated, Why and What is next? **T. Duquin** (Buffalo)

Moderators: T. Duquin *(Buffalo)* **and F. Catani** *(Modena)*
Panel: K. Weiser *(Zurich)*, **M. Hirner** *(Whangārei)*, **A. Babhulkar** *(Pune)*, **F. Campi** *(Forlì)*, **G. Fiumana** *(Forlì)*

4:55 pm   **Complex and Revision Shoulder Arthroplasty-How to Manage Your Most Challenging Cases**
Moderators: J. H. Oh *(Seoul)* **and L. Tarallo** *(Modena)*

→ Reverse arthroplasty for fracture: **P. Boileau** *(Nice)*
→ Revision of anatomic shoulder arthroplasty to reverse arthroplasty: **J. H. Oh** *(Seoul)*
→ Custom glenoid component for massive bone-loss, **J. Itamura** *(Los Angeles)*
→ Management of severe humeral bone loss: **F. Soza** *(Santiago de Chile)*
→ Neurologic complication in shoulder arthroplasty: **K. Weiser** *(Zurich)*
Discussion

5:30 pm   **Conclusion remarks and meeting Adjourn**
